## 6. Administration

6.1.1 The administration has the right to change The online resource at any time and in any way, including changing or adding sections of The online resource, changing its structure, design and Content, as well as to add, change, limit, expand the functionality of the Online resource and/or Services, including the conditions for User access to the Services or individual functionality of the Online resource.

The administration reserves the right at its sole discretion at any time without notice for any reason: (a) to monitor, prohibit, restrict, block, suspend, terminate, delete, terminate access to the Online resource; (b) remove, delete, block, filter or restrict by any method any material that you publish; and (c) disclose your communications and actions with the Administration, including in response to lawful requests from public authorities (e.g., requests for a legal act, court orders, warrants or agendas). The user agrees that if the Administration for any reason accepts any of its rights under this Agreement, the Administration shall not be liable to such Users.

6.1.2 The administration reserves the right delete forbidden content and eject the user who posted that type of content within 24 hours.

6.1.3 The administration has the right to carry out preventive maintenance without notice to the User, which entails the suspension of the work of the Online resource for a period of not more than 24 (twenty four) hours in a row. In case of need for longer work, the Administration has the right to carry out them only after notifying the User through the personal account or via e-mail.

6.1.4 The administration has the right to terminate (temporarily or permanently) the provision of Services (or any individual functions within the Services) to all Users in General or to an individual User, in particular, without prior notice, if necessary, at its own discretion.

6.1.5 The administration has the right, at its own discretion, to refuse the User to post and / or distribute any Content or to delete any Content that is posted by the User on the Online resource.

6.1.6 The administration has the right to use available technical solutions to verify the correctness of the information provided by the User when using the Online resource.

6.1.7 The administration has the right at any time at its discretion to conduct a random check of the Content for compliance with the Agreement, including automatically using the software. In case of detection of violations, as well as when receiving information from third parties about such violations or revealing a set of signs that may indicate in the opinion of the Administration of violations, it has the right to suspend or terminate the User's access to certain Services, including blocking access to the account.

6.1.7 According to the sole decision of the Administration blocking the account on The online resource can be temporary or permanent, depending on the volume and number of violations committed by the User. In case of elimination of the violations committed by The user, the Administration has the right to restore the User's access to the account on the Online resource.

6.1.8 In case of systematic non-compliance of the User with the provisions of this Agreement, the Administration has the right without prior notice and consent of such User to delete the personal page and User account on the Online resource without the possibility of its recovery.
